### Turkey, goose, chicken and duck (Bronze turkey prices unchanged from 2014)

**Madgett's Farm** are poultry specialists located in the Wye Valley. They raise a superior free range turkey. Madgett's also rear free range geese and Aylesbury ducks. The birds are fed on a home made mix, plucked using the dry wax method and hung where appropriate. These three measures help to ensure maximum flavour develops. Madgetts have decided to concentrate on free range turkeys, ducks and geese, so our new chicken supplier (near Radstock, Bath) will be supplying white turkeys and chickens.
