### Turkey, goose, chicken and duck

**Madgett's Farm** are poultry specialists located in the Wye Valley, now supplying us with chickens year round. Praised by Rick Stein they raise a superior free range bronze turkey as well as a white barn turkey. Rest assured the latter have plenty of space, light and fresh air. Madgett's also rear free range geese ready for Christmas and Aylesbury ducks. The birds are fed on a home made mix, plucked using the dry wax method and hung where appropriate. These three measures help to ensure maximum flavour develops.
