

Christmas Orders 2015

- Whether you want to order a turkey or pre order your complete Christmas please take a copy of this form and peruse it at your leisure. Decide what you would like, then return your completed form to us.
- If you really wish to avoid the queues, a box of our super fresh vegetables can also be ordered on the back page. If you wish to order extras such as cheese, cream, cranberry sauce, brandy butter, crisps, special preserves, pickles or anything else you can think of please fill in the additional order sheet at the end of this booklet, or just buy on the day.
- Orders can be picked up from 9.00 am onwards on Tuesday 22nd, from 8am on the 23rd & until 2pm on Thursday 24th. Let us know the day you anticipate calling and your order will be ready & waiting.
- Poultry, game and joint weights are approximate but we will try our best to get the perfect size. We will allocate stock to the earliest orders first.
- Ideally, all orders should be in by **Friday the 4th December** though turkey orders may be placed until Monday 7th. Should you miss this deadline don't panic, as we can still get most items – it just gets harder to guarantee supply! Veg boxes can be ordered right up to Monday the 21st.

Turkey, goose, chicken and duck (Prices unchanged from 2014)

Madgett's Farm are poultry specialists located in the Wye Valley, now supplying us with chickens year round. Praised by Rick Stein they raise a superior free range bronze turkey as well as a white barn turkey. Rest assured the latter have plenty of space, light and fresh air. Madgett's also rear free range geese ready for Christmas and Aylesbury ducks. The birds are fed on a home made mix, plucked using the dry wax method and hung where appropriate. These three measures help to ensure maximum flavour develops.
