

## Primrose Vale ORDER SHEET

To help us pick your order efficiently, please **delete** items that you don't want and state the quantity required next to each item (approx kg or unit). Simplifying your list helps us picking your order immensely, thank you!

Prices for veg can change daily and are particularly volatile at the moment: these were the prices on **28<sup>th</sup> August** – They may vary up or down at time of picking.

Email a copy of your order to [shop@primrosevale.com](mailto:shop@primrosevale.com). We will confirm receipt during working hours.

We aim to pick your order for the day required, but please don't submit orders for more than 1 week in advance. As we weigh most items, your bill will be calculated through our tills, and an invoice which will be emailed to you. On collection you will receive an itemised receipt of items invoiced.

We will send you an invoice via email once your order has been picked. Once paid, feel free to pop down to the green barn where will bring your order out. We are using a payment portal used for Christmas Tree sales, so any reference to "Cotswold Fir" or "Rental Claus" is our sister company and can be trusted.

**Our new working hours are Wednesday – Saturday (9am-5pm). Please be aware that collection is only available during these times from the back of the farm shop, so please allow us enough time to process your order if ordering after midday on a Saturday.**

**If ordering outside of our opening hours, you will not have a response from us until Wednesday. We will deal with your order as quickly as possible so do not panic if we do not respond instantly!!**

Should you wish to order anything not included on this sheet that you know we stock, add it to the list and we will do our best. We will add lines as they become available, and update this list regularly, so do download a new copy for future orders.
