

Christmas Orders 2021

- Whether you want to order a turkey or pre-order your complete Christmas food shop, please take a copy of this form and peruse it at your leisure. Decide what you would like, then return your completed form to us by hand or email to shop@primrosevale.com or give us a call and we can do it over the phone. Emailed orders will receive an invoice for a deposit which can then be paid online. Once the payment is received your order is confirmed.
- All our orders will be fulfilled by our Click and Collect team, with collections away from the shop as last year – it will be signposted! The shop will be open, so after picking up your order you are welcome to pop in, subject to safe numbers inside the shop.
- Orders can be picked up from 12.00pm onwards on Wednesday 22nd, from 9am-5pm on Thursday 23rd & from 9am-12pm on Friday 24th. Let us know the day you are intending to collect your order and it will be ready & waiting.
- Poultry and joint weights are approximate but we will try our best to get the perfect size. We will allocate stock to the earliest orders first. Due to potential turkey supply issues the earlier you order, the better. Ideally, all orders should be in by Wednesday the 1st Dec. Should you miss this deadline don't panic, as we can still get most items – it just gets harder to guarantee supply! Veg boxes can be ordered right up to Monday the 20th.
- We have kept our extended range and kept the salad, fruit and baked breakfast box too alongside our pre - picked vegetable boxes. PLEASE NOTE VEGETABLE PRICES CHANGE DAILY and some lines may rise close to Christmas (broccoli and cauliflower are two that come to mind). Prices listed here were accurate on 1st November, but you will be charged at the current rate at time of purchase – I hope you understand – we promise we won't be profiteering!
- Should you only want one or two lines or it is easier for you to order that way, we have created a simple order form so you don't have to print all these pages out. (it will also help us not miss any items when processing. In fact if you choose to email your order we will accept it in any format that suits – a photo of a shopping list will suffice as long as your instructions are as clear as possible.
- If you wish to purchase longer shelf life items (jams, pickles, meringues etc) we recommend either purchasing at the shop (ideally before the 21st whilst we are quieter), or sending us a bespoke order, through our usual click and collect channel which will be accepting orders until the 19th. We will struggle to accommodate items not on this list during the Christmas order collection period.

A £10.00 deposit is payable on orders over £20.00 and a £5 deposit on orders less than £20. We have had to pre order Turkeys this year... For this reason we are asking a minimum £40 payment on all large Poultry orders, in addition to the deposit above on other produce

Thank you for shopping at Primrose Vale Farm Shop this Christmas
